AACON/GANDD Summer Retreat June 12-13, 2017			
	Topics	Discussions	Recommendations/Conclusions
	Fall Meeting Date and Location Treasurer Position	Typically in cooperation with GANS. Due to some limits of where to meet, location of meeting room, etc. considering moving the fall meeting to a different location and not in conjunction with GANS. Will continue to focus the fall meeting on legislative activity. Linda Streit is due to roll off as Treasurer. Lucy Marion nominated Linda Streit as Treasurer. Joan Cranford moved that the nomination be closed. Vote followed with unanimous approval for Linda to remain the Treasurer.	
	Lucy Marions - GNLC	GNLC has been leaving a doctoral conference that is statewide. Lisa Eichelberger has been working to keep funding for the initiative. GANDD's donation and support led to the first successful APRN conference. Can GANDD support the GNLC conference through a sponsorship? The board is considering this request.	
Meeting adjourned at 10:20 AM.			

Respectfully submitted,

Dina Hewett, Ph.D., RN, NEA-BC
